Dr. Andrea Rösinger, Co-CEO of FORCAM and Chief Technology Officer: "This award for Brigitte Falk is a very special recognition of her IT competencies. We are glad to have Brigitte on board to further advance our positioning as a comprehensive Smart Factory solution partner in the era of Industrial IoT. Personally, I am delighted that a woman is receiving this award, because diversity is a top priority at FORCAM. Congratulations, Brigitte!"

Brigitte Falk has already received several awards, including "CIO of the year 2019 - Women in IT Awards Europe" (Bonhill) and "CIO of the year 2018" (CIO Magazin).

Brigitte Falk: "I am deeply honored to be recognized as "CIO of the Decade 2020". The award shows me that many people with whom I have had the privilege of working over the past decades see me as a true leader. It would be great to see that this award motivates many young women to believe in themselves, to reach for the stars in their careers and to take their unique path."

### At FORCAM, helping to herald a new era for the Smart Factory

Her focus is on the innovation environment, digitalization and agile working methods. In addition, she is an expert in the development of strategic future scenarios in business cooperation with customers and suppliers. Brigitte Falk sits on the supervisory boards of Liebich & Partner Management- und Personalberatung AG and Efecte Plc, both headquartered in Finland. At FORCAM she is helping to herald a new era for the Smart Factory. More information about her career [here](#).

FORCAM is a comprehensive solution partner for the industrial Internet of Things (IIoT). Together with customers and partners, FORCAM's smart factory experts develop solutions and products that enable companies to digitally transform their manufacturing processes quickly and easily. This enables them to make better use of production resources, secure their competitiveness and ultimately contribute to the [United Nations' sustainability goals for industry, innovation and infrastructure](#).
